

Ten Commandments

You can learn more about this - and all of Father's teachings - in the AwareHouse - on your right

Father did not envision that these "Commandments" (which we often call guidelines) would supersede (or replace) the Biblical Commandments. He realized - in 1972 - that man would need extra help in this - his time of greatest need - to reach a level of consciousness that would prepare him for the imminent, New Age - The Age of Aquarius.
