Welcome to

the official Web Site of The Source Family. The Source Family was founded by Ya Ho Wha, in 1971. He was born James E. Baker and

– after an exhaustive search, and arduous work on himself – became one of the very few to ever attain "God Consciousness", while still in this earthly body. On this site, you will find a short overview of the story of Jim Baker – and his evolution into

Father Yod and then Ya Ho Wha – and his spiritual Family, The Source Family, who called Him, simply, "Father". There were about 100 of us who stayed with him constantly, for the last few years of His life.

To

know a little more about who we are, and Father's wisdom . . . you may want to visit "BOOKS" – in The AwareHouse, on the right in this Web Site – to request

your a copy of one of the books that will help you figure it all out, for this is truly . . .

**A STORY THAT EVEN HOLLYWOOD COULD NOT HAVE SCRIPTED TO BE MORE ENTERTAINING**

We

have also been working to make available for you the awesome, spontaneous music that Ya Ho Wha and His Sons created. We have already produced several albums and others are forthcoming. There is also now available an album of our original Family's Chanting of the Sacred Name, T-shirts and a Video of interviews of original Family Members. Please visit our AwareHouse often as it will be updated expanded.
